2023 SPONSORSHIP OPPORTUNITIES

POINTSNORTHINSTITUTE.ORG

"For documentary filmmakers eager to showcase their work, there's another important stop to make in September: the Camden International Film Festival in mid-coast Maine."

—Matt Carey, Deadline

September 14-17, 2023

Since 2005, the Camden International Film Festival (CIFF) has risen to prominence as one of the most respected and beloved documentary festivals on the planet. We champion artists with bold voices and innovative work that explores, interrogates, and re-maps the boundaries of creative nonfiction storytelling, exhibiting a carefully curated collection of films with diverse perspectives from around the world.

CIFF receives **over 2,000 submissions each year**. We balance showcasing work from both emerging and established artists and seek to use our platform to amplify the voices of underrepresented filmmakers.

In 2022, **51% of our program was directed or co-directed by women, and 72% by BIPOC filmmakers**. CIFF has been committed to gender parity since 2017.

The festival is Academy-qualifying for the Documentary Short Subject Award and a nominating festival for the Cinema Eye Honors.

"A small Maine town turned into a mecca for awards-seeking documentary filmmakers"

—Addie Morfoot, Variety

BLAZING A NEW TRAIL

"An ever-more influential player on the American nonfiction landscape" —Filmmaker Magazine

Over the past two decades, CIFF has been leading the field in re-imagining the role of film festivals, building solidarity with filmmakers and creating a vibrant and immersive environment for participants to engage with fellow creators, industry, and audiences alike.

We believe we have a major role to play in building more sustainable conditions for the creation and distribution of documentary films. In 2020 we launched our Filmmaker Solidarity Fund. This Fund is our commitment to paying artists for their work, providing a flat honorarium to all feature and short films programmed. Since 2020, we have distributed approximately \$60,000 to nearly 200 filmmaking teams.

POINTS NORTH FORUM

"One of North America's foremost nonfiction-specific forums."

—Ashley Clarke, Sight & Sound

Each year, the Points North Forum convenes the international documentary film community to reflect on the business, craft and future of nonfiction storytelling while connecting with peers and industry leaders in an intimate, smalltown setting.

Through masterclasses with acclaimed directors, editors and cinematographers, interactive workshops, one-on-one mentorship, networking events and a public pitch session, the Points North Forumhelps independent documentary filmmakers and media artists advance their projects - and their careers - in concrete, meaningful ways.

"CIFF has found a place among the elite of documentary fests"

—Nick Pinkerton, Art Forum

CIFF AFTER DARK

When the film screenings are finished, After Dark begins!

After Dark is one of the not-so-hidden gems of CIFF: a place where filmmakers, film funders, and film lovers of all stripes can forge friendships, dance until dawn, and explore an ever-shifting stage that transforms from night to night.

We transform buildings into elaborate sets for CIFF's after-parties, collaborating with installation artists to create a container for some of the festival circuit's most memorable events.

"...an ever-expanding constellation of workshops and residencies, warehouse parties, stunning views of the northern Maine coastline and the intensely convivial, thoughtful and witty confederacy of non-fiction filmmakers, fans and facilitators that make this last-gasp-of-summer gathering a soulful expression of community."

—Steve Dollar, Filmmaker Magazine
